## Private Pilot Licence – Aeroplane

### Pre-Requisites:

There is no requirement regarding education other than that you must be able to read and write one of Canada's official languages.

Minimum age: 17 years

Transport Canada category 1 or 3 medical certificate

### Requirements:

40 hours private pilot ground school

45 hours flight time, of which at least:

17 hours must be with an instructor (dual)

12 hours must be as pilot in command (solo)

8 hours must be cross country experience

5 hours of Instrument training

### Minimum PPL course cost:

Cessna 150	
30 hrs dual @ \$130/hr:	\$3,900.00
30 hrs instructor @ \$65/hr:	\$1,950.00
15 hrs solo @ \$130/hr:	\$1,950.00
Enrollment fee:	\$250.00
Books/Materials:	\$250.00
<b>Total:</b>	<b>\$8,300.00*</b>

Piper Cherokee	
30 hrs dual @ \$165/hr:	\$4,950.00
30 hrs instructor @ \$65/hr:	\$1,950.00
15 hrs solo @ \$165/hr:	\$2,475.00
Enrollment fee:	\$250.00
Books/Materials:	\$250.00
<b>Total:</b>	<b>\$9,875.00*</b>

All rates are wet (include fuel/oil costs) but do not include applicable taxes.

\*This is the minimum cost for a Private Pilot Licence. It is very unlikely to complete the course in the minimum time. In our experience, the average student without previous flying experience will take approximately 55-68 hours. Therefore a more *realistic* cost would be between \$10,950.00 and \$13,650.00

### Courses may be paid:

- a) as you go
- b) by a deposit of a given amount
- c) by a deposit of total amount

Refund Policy: A full refund will be given for unused deposits if the student withdraws from the course.

Privileges: This licence allows you to fly as pilot for pleasure and work related flights, but not for hire or reward.

**You may add any of the ratings we offer to this licence.  
Please refer to the other course sheets for associated costs.**
