Private Pilot Licence – Aeroplane

Pre-Requisites:

There is no requirement regarding education other than that you must be able to read and write one of Canada's official languages.

Minimum age: 17 years

Transport Canada category 1 or 3 medical certificate

Requirements:

40 hours private pilot ground school

45 hours flight time, of which at least:

17 hours must be with an instructor (dual)

12 hours must be as pilot in command (solo)

8 hours must be cross country experience

5 hours of Instrument training

Minimum PPL course cost:

Cessna 150	
30 hrs dual @ \$140/hr:	\$4,200.00
30 hrs instructor @ \$70/hr:	\$2,100.00
15 hrs solo @ \$140/hr:	\$2,100.00
Enrollment fee:	\$250.00
Books/Materials:	\$250.00
Total:	\$8,900.00*

Piper Cherokee	
30 hrs dual @ \$180/hr:	\$5,400.00
30 hrs instructor @ \$70/hr:	\$2,100.00
15 hrs solo @ \$180/hr:	\$2,700.00
Enrollment fee:	\$250.00
Books/Materials:	\$250.00
Total:	\$10,700.00*

All rates are wet (include fuel/oil costs) but do not include THE 5% GST tax.

If you weigh less than 170 lbs you may fly either the Cessna 150 or the Cherokee, if over 170 lbs then only the Cherokee.

*This is the minimum cost for a Private Pilot Licence. You are very unlikely to complete the course in the minimum time.

In our experience, the average Canadian student without previous flying experience takes approximately 55-68 hours.

Therefore a more realistic cost would be between \$12,500.00 and \$16,750.00

Courses may be paid:

- as you go
- by a deposit of a given amount
- by a deposit of total amount

Refund Policy: A full refund will be given for unused deposits if the student withdraws from the course.

Privileges: This licence allows you to fly as pilot for pleasure and work related flights, but not for hire or reward.

All flight hours counts toward the higher licences.

**You may add any of the ratings we offer to this licence.
Please refer to the other course sheets for associated costs.**
